Dear Valued Customer,

WE HAVE EXCITING NEWS

We are pleased to announce that this summer, Prior Lake State Bank will become part of the KleinBank network of community banks. Having been a family-owned, independent bank for over 100 years, we wanted to continue this legacy to our customers by becoming part of another family-owned independent bank that originated in Carver County. The purchase is anticipated to be completed by mid-June.

SAME STAFF – NEW NAME

With KleinBank's 100 year commitment to community-focused banking, we are confident that our employees and customers will be well served. You can be assured that the staff you've worked with over the years in Prior Lake will still be here to serve you in every way, providing the assistance you need to make the transition to KleinBank go smoothly.

NEW SERVICES AVAILABLE WITH KLEINBANK

All of us are excited about adding KleinBank's broad array of product and service offerings, which include Mobile Banking, Remote Deposit Capture, the latest in Online Banking services, a wide ATM network and 19 additional banking locations. These added conveniences will provide you with greater flexibility and help you maximize your financial success.

We are very confident you will enjoy being a part of KleinBank, as they have built a reputation for being a solid and easy-to-work-with community bank. Thank you for placing your trust in us. We welcome the opportunity to continue to serve you. Should you have any questions, please give us a call at 952-447-2101.

Sincerely,

Robert Facente, Jr.
President
